5th East Coast Small Business Conference

Business partnerships for the future...

October 16 & 17, 2001

**Donald E. Stephens Convention Center
Rosemont, Illinois**

Purpose: The 5th East Coast Small Business Conference will educate and inform the small business community on how to do business with the Federal Aviation Administration as well as other agencies. It will provide vital information on procurement opportunities. It will introduce small businesses to acquisition officials and technical officers who will provide insight into the Government's acquisition goals and objectives. There will be representatives from all of the FAA's nine regions, two centers and headquarters acquisitions offices, as well as other Government agencies, available to provide counseling and guidance. FAA Executives, key personnel, and successful entrepreneurs will take part in workshops and panels to share valuable information and answer questions, which will benefit the small business community.

Invited Agencies: General Services Administration, Federal Executive Board, Department of Defense, Department of Commerce, Department of Energy, Small Business Administration
